A MESSAGE FROM OUR PRESIDENT

This year reminded us why *Hearts & Hands* exists. Because of your generosity, compassion was turned into action this year. It showed up in moments of crisis, in quiet acts of service, and in the hope restored to people who needed to be seen, helped, and loved.

A VERY UNIQUE YEAR

Early in the year, we were conducting business as usual and gearing up for our 21st Annual Charity Golf Tournament. We were coming off of a record-breaking year in 2024 where we hit our goal of \$1 Million donated back into our local community! We were all feeling energized. No one could have anticipated the devastation that was to occur on July 4th.

Our community was ravished by floods that took 135 lives and left thousands of others' lives destroyed. We immediately knew we had to double down and help in any way possible. 2025 was a year of unexpected loss that ended with a beautiful picture of our community coming together to support each other. We couldn't have done it without you!
